

European Society of Gynaecological Oncology: Newsflash

New ESGO Live Webinar: Nouvelle Treatments in Gynaecological Cancers

PRACTICE-CHANGING STUDIES IN 2023

Friday, November 17, 2023 | 14:00 CET ([Time zone conversions](#))

Saturday, November 18, 2023 | 17:00 CET ([Time zone conversions](#))

Chairs: Prof. Isabelle Ray-Coquard, France, and Prof. Domenica Lorusso, Italy

Get ready to join the special live webinar with world-leading experts from Europe, Asia-Pacific, Latin America, and the Middle East for a **practical discussion** on the most significant advances expected in **future treatment approaches** of endometrial, cervical, and ovarian cancers.

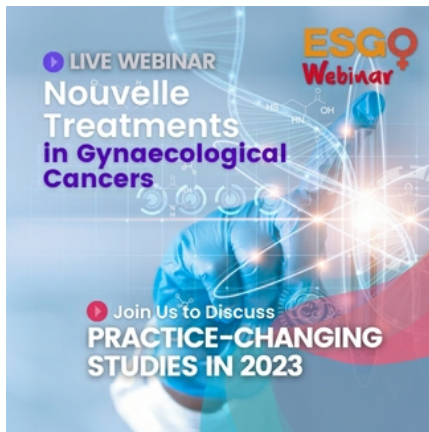

The webinar is an educational initiative designed mainly for ESGO's non-European members, with panellists from these countries at times that are convenient for them.

In this 90-minute live webinar, **Professors Isabelle Ray-Coquard and Domenica Lorusso** will discuss with a panel of distinguished experts a selection of **major clinical studies** presented at conferences this year and their implications on daily practice.

Explore the video from the webinar chairs to find out more!

Webinar Programme

The webinar aims to share expertise derived from clinical experiences across the globe, promote best practices in gynaecological oncology, and improve the quality of treatment.

The webinar will include:

+ Short Updates from selected practice-changing studies in 2023

Focusing on the management of endometrial, cervical, and ovarian cancers.

+ Panel Discussion and Q&A

After each topic, participants will be able to send questions to the panel during the webinar.

+ Practical insights on future treatment advances

Related to the selected major studies in 2023.

Don't miss out on this exclusive opportunity to join the live discussion and **gain first-hand knowledge from a panel of world experts** on the expected **treatment updates** in endometrial, cervical and ovarian cancers!

The webinar is offered on November 17th and 18th, including various non-European experts on each day. Choose the date that suits you best!
